

# IRC

**Information Resource Center**

**Public Affairs Section  
Embassy of the United States of America  
Jakarta, Indonesia**

The IRC provides accurate and authoritative information on U.S. policies, legislation, and social issues to Indonesian decision-makers and opinion leaders. Its objective is to contribute to an improved understanding by Indonesian audiences of U.S. policies and the political, social, and intellectual context in which these policies evolve.

The IRC utilizes the most efficient and effective information technology to retrieve and deliver information to its audience.

To inquire about U.S. related information, please contact our reference librarians :

**Phone : (62)(21)350-8467, 3435-9519,  
3435-9531, 3435-9569**

**Products  
& Services**

### **Article Alert Service**

A monthly bulletin offering articles on variety of subjects.

### **Selective Dissemination of Information**

Articles selected by IRC staff for distribution to audience members on subjects related to their professional interests.

### **Home Page**

Provide information via the internet on the U.S. Embassy and U.S. - Indonesian relations.

### **Library on Loan**

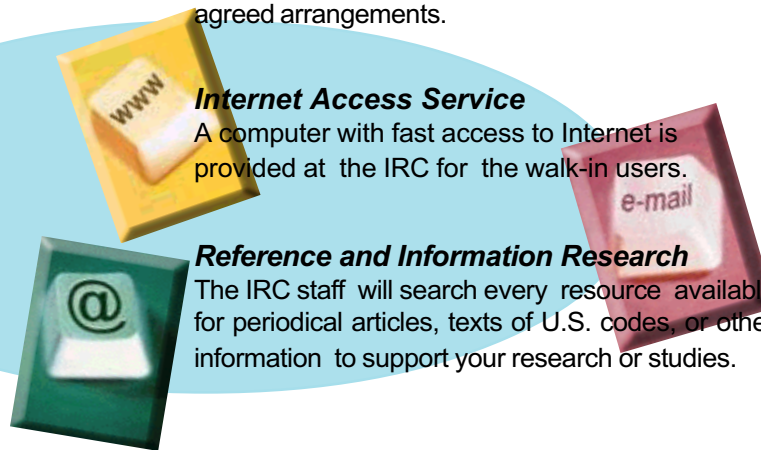

A selection of books loaned to libraries of key institutions for 2 to 3 months, based on mutually agreed arrangements.

### **Internet Access Service**

A computer with fast access to Internet is provided at the IRC for the walk-in users.

### **Reference and Information Research**

The IRC staff will search every resource available for periodical articles, texts of U.S. codes, or other information to support your research or studies.

# INFORMATION RESOURCES

The IRC has a focused collection of books complementing our various CD-ROM and Online Resources, including

Offers online full-text of U.S. Federal and state legal and regulatory materials, treaties, and legal periodicals. Also full-text articles from over 1000 newspapers, wire services, news and business magazines, including the Washington Post and the New York Times.

A Web-based database providing access to full-text or abstracts of articles from over 5000 journals, including a broad range of topics from art and entertainment to business and public policy.

## U.S. Government on the Internet

One-stop access to most U.S. Government web sites.

Galenet is comprehensive database which consists of biography sources, association profiles and contact information for more than 63,000 newspapers, periodicals, newsletters, directories, television and radio stations, and cable television companies in the United States

Provides access to over 70 online databases with timely information about books, journal articles, computer software, and other materials.

## Public Diplomacy Query

A rich online resource of documents issued by U.S. Government offices, including speeches delivered by U.S. Government officials.

## USCA CD-ROM

Comprises all U.S. laws of a general and permanent nature. The annotations are from federal and state court reports and opinions of the U.S. Attorney-General.

ProQuest General Periodical Ondisc (GPO) is a CD-ROM version of ProQuest Direct. It offers articles from over 1500 magazines, dating back to 1986.

## Books-In-Print CD-ROM

Updated monthly, provides information on books in print in the United States. In addition to ordering information, BIP includes book reviews of selected titles.
